VisitOz Australian Working Adventures

We are an award winning family business operating since 1991. We provide a safe and reliable pathway to paid and volunteer farm work all over rural and outback Australia.

We focus on cattle and sheep stations, mixed farms, cropping and horse work of all types and many other Agricultural sectors. (but definitely NOT fruit picking!)

Applicants are welcome from many countries all round the world with various different Visa options.

Our programmes are designed for:

- Agricultural Career Development
- Adventure and personal development.
- 2nd Working Holiday Visa Qualification
- As a great way to earn and save.

Our programmes run for 3 months to 3 years and we provide complete backup and support for all the time you are with us.

We provide a welcome and set up service and preparation for farm work with a 5 day farm skills training course. A choice of job offers are guaranteed after successful completion of the training course.
